Founder's Church

Ushers' Ministry

***Where Spirituality
Positively Engages
Community***

Entering a large church like Founder's for the first time may be intimidating for some first time visitors. Receiving a warm and welcoming greeting can be the first step to feeling at home. Ushers welcome everyone old and new and answer questions about the service and facility that will allow the new visitor to function like a long time member.

Duties of Ushers

Ushers are present at the beginning and end of each service:

- They meet and greet the congregants.
- Hand out programs.
- Give out Visitor Packets
- Answer all questions about the facility: location of restrooms, direct people to fellowship, meetings, exits, parking lots, etc.
- Identify practitioners and introduce congregants that need prayer.
- Hand out giving envelopes.
- Take up and secure the collection.
- Ushers may need to respond in emergency situations to direct people to exits and promote orderly evacuations.

Services

Sunday Service 10:am

With Dr. Arthur Chang

Our Sunday service provides the opportunities to learn the great truths taught as the Science of Mind, to be inspired, to love and to be transformed. It does so through the power of the teachings, prayer, meditation and a wide variety of music.
